Mobile LR App

This versatile app enables the capture, qualification and follow up on leads directly from smart phones or tablets instead of renting traditional equipment. All scans are safely stored and backed up on the device and in the cloud and can be accessed via a secure, web-based portal. Offline mode is available for those without a connection on the show floor. The app is compatible with iPhones, iPads, Android phones and Android tablets. (requires mobile device with auto-focusing camera)
